STANDARD I(E): RECOMMENDED PROCEDURES

To achieve and maintain competence, members and candidates should consider the following activities:

- Regularly engaging in a professional development or continuing education program
- Studying for or earning professional certifications or designations
- Attending conferences, seminars, or webinars
- Regularly participating in training offered by their employer
- Diligently engaging in informal continuing education or self-study, such as through outside reading of subject matter articles, treatises, and publications
- Participating in expert groups or organizations
- Becoming proficient with any new skill or knowledge, as necessary, when their professional responsibilities change
